## OUR CORE PRICIPALS

- Safety is our value, not just a priority
- All injuries and illnesses can be prevented and all operating exposures can be controlled
- All levels of Management are responsible
- Working safely is a condition of continual employment
- All Incidents must be reported and analyzed
- All deficiencies must be corrected promptly
- All employees must be involved
- Training employees to work safely is essential
- Management audits are a must
- Off-the-job safety is also important

## COMMITMENT TO ENVIRONMENT

At M D INFRA TECH, we believe that Environmental, Safety, and Health (ESH) are not just policies but a shared responsibility and a core value embedded in everything we do. As part of the M D INFRA TECH family, every employee is empowered and obligated to prioritize safety and sustainability at all times.

Your Commitment, Our Promise:

By joining us, you commit to upholding the highest ESH standards, following best practices, and fostering a workplace where safety and well-being come first. Together, we ensure a safer, healthier, and greener tomorrow.

At M D INFRA TECH, safety is not just a guideline—it's a way of life.
